

BEGGS TELEPHONE COMPANY, INC. announces an opening for **Field Service Technician**. Many duties are required for this Outside Plant position. Primary among these are installing and maintaining service for telephone and data circuits. Other duties include working with test equipment and meters, machinery maintenance, and lawn work. The job involves working with and operating equipment such as a backhoe and bucket truck. Candidate must be able to obtain a CDL license. We are looking for a bright, energetic, and personable individual with an interest in telephony who can work well with customers and fellow employees. This is a career path position. Please do not apply unless you are interested in a career with our Company. Salary and benefits are commensurate with knowledge, experience, and education. Beggs Telephone Company is an Equal Opportunity Employer. Those interested in the position should go to our website at www.beggstelco.net to learn more about the Company. Please contact Mr. Chris Creason, Assistant Manager, at 918-267-3636 to set up an interview.
